

## **ZACHARY N. BURKHART, MD**

Dr. Burkhart is an ophthalmologist fellowship trained in diseases and surgery of the anterior segment of the eye. He is a San Antonio native, graduating with honors from Churchill High School in 1999. Four years later, he received his bachelor degree Summa Cum Laude from the University of Notre Dame. He returned to Texas to attend medical school at UT Southwestern in Dallas, and then completed his residency at the University of Texas at Houston. In his last year of residency, he was voted Chief Resident by the faculty and fellow residents. Before returning to San Antonio to join Focal Point Vision, he spent an additional year of fellowship training in advanced corneal and refractive surgery at Price Vision Group in Indianapolis.

Dr. Burkhart manages routine and complex medical conditions of the eye, including corneal disease such as dry eye, infection, keratoconus, and corneal dystrophy; also glaucoma, uveitis, and retinal conditions including diabetic retinopathy and age-related macular degeneration. He is a member of the American Academy of Ophthalmology, American Society of Cataract and Refractive Surgery, and the Cornea Society.

Dr. Burkhart speaks Spanish fluently, has visited Mexico numerous times on medical mission trips, and will be a volunteer physician at the "I Care Clinic" at the Haven for Hope in San Antonio. Dr. Burkhart is married and has two children.

The physicians at Focal Point Vision make it their mission to provide the highest level of vision restoration using the most advanced technologies in a compassionate and ethical way. They are committed to "patients first" and to remain at the pinnacle of eye care for the entire region.
